Bisons Speak...

As I look back on this year, I see it as a year of many hardships and changes, but we as Bisons have adjusted to these changes and were able to make the most of it and have a great year.

It has been a great honor and privilege to serve as your Student Body President this year. I hope we all have cherished our years here at Sunset as it is a great school.

To the Student Body of next year, just remember, if you do not do anything for Sunset, it will not do anything for you.

Seniors of '78, I just hope after we leave this glorious school and go our separate ways that we remember the "Old Days and the Good Times We Have Had."

I Love All of You
and May God Bless You,
Robert Shultz

Robert Shultz

It's hard to believe we finally made it, but here we are. Sunset has given us all she can and from now on it's up to us. I doubt many of us will ever forget our years at Sunset and our sadness at leaving this grand old school, but remember, there's always something better over the next hill and to get it we must work for it. Always strive for the very best, set your goals high, and be proud of yourself and your achievements, for this is what being a Bison is all about.

I wish you the best of luck in the future and ask that you always remember the good times we had together and most importantly that we are the Seniors of '78.

God Bless You All,
Senior Class President,
Kerry Vincent

Kerry Vincent

My final year at Sunset has been the most enjoyable year of my life. Everyone I met seemed to have a certain concern about Sunset and its traditions. I have captured many beautiful moments working with such a proud class of Bisons.

To the Srs. of 78: As we venture out into the world, always have confidence in yourself, for confidence is the beginning of success. Lock Sunset's memories deep in your heart because they will always surround your thoughts.

To the Srs. of 79: Take care of Sunset and keep up its traditions. Make the best of your senior year because it will have an everlasting effect on your life.

I give my love to Sunset and may God bless all the wonderful Bisons of '78.

M*A*S*H is a play that brings out the laughter and tears in people. It touches us all with the extremes to which people will go to when under intense pressure, especially in a time of war. The tremendous cost and crews of this production did more than meet its complicated technical challenges. They made it a QUALITY production by bringing out the depth of humanity in both the character and themselves. I am glad that I met them. I am proud to have been a part of their M*A*S*H family.

Assemblies '77-'78

Sunset will have many changes in the coming year but probably one of the main changes will be the stage area. Many events such as the plays, pep assemblies, band performances, musicals, educational assemblies, and assemblies given by people trying to promote products will benefit from the modification of the stage and will still be as well-received as always by the Student Body as well as the Community. Even though these important events may be changed, the Bison Spirit will remain unchanged.

No matter what kind of programs, the effort put into them and a responsive audience make a good assembly better.

Gonzalez

Dowdy

KLIF presented their annual assembly at Sunset. This year's topic was "The Art of Selling." As a tribute to Sunset, KLIF dedicated an hour of music that night to the Sunset Student Body . . .

Homecoming '78

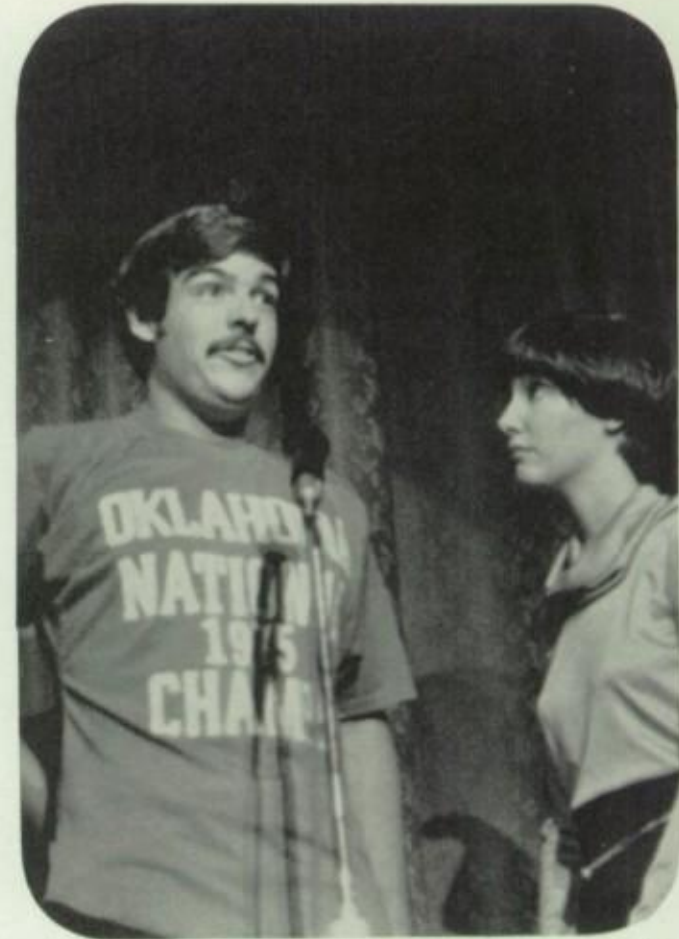

Homecoming is one of the most important events of the school year. Whether it be the game, the assembly, the announcing of Homecoming Queen, or "Bo" speaking, it is all together an important event. The one part that probably stands out more is the traditional speech of "Bo." When you hear "Bo" for the first time it may not mean too much, but as the years pass, "Bo's" talk becomes more meaningful as you realize what he is really saying.

Sundial Staff Shows How to Sell

SALE! SALE! SALE! were the only words Sundial Staff knew during the months of Oct., Nov., and Dec. To help the sale of Sundials, the staff had a sales assembly. The assembly was done in the style of the '50's. Included in some of the roles were, of course, the "Fonz" (Robert Shultz), Lenny (Sid Smith), Squiggie (Wayne Dowdy), and Pinky (Susie Seale).

Mademoiselle of France

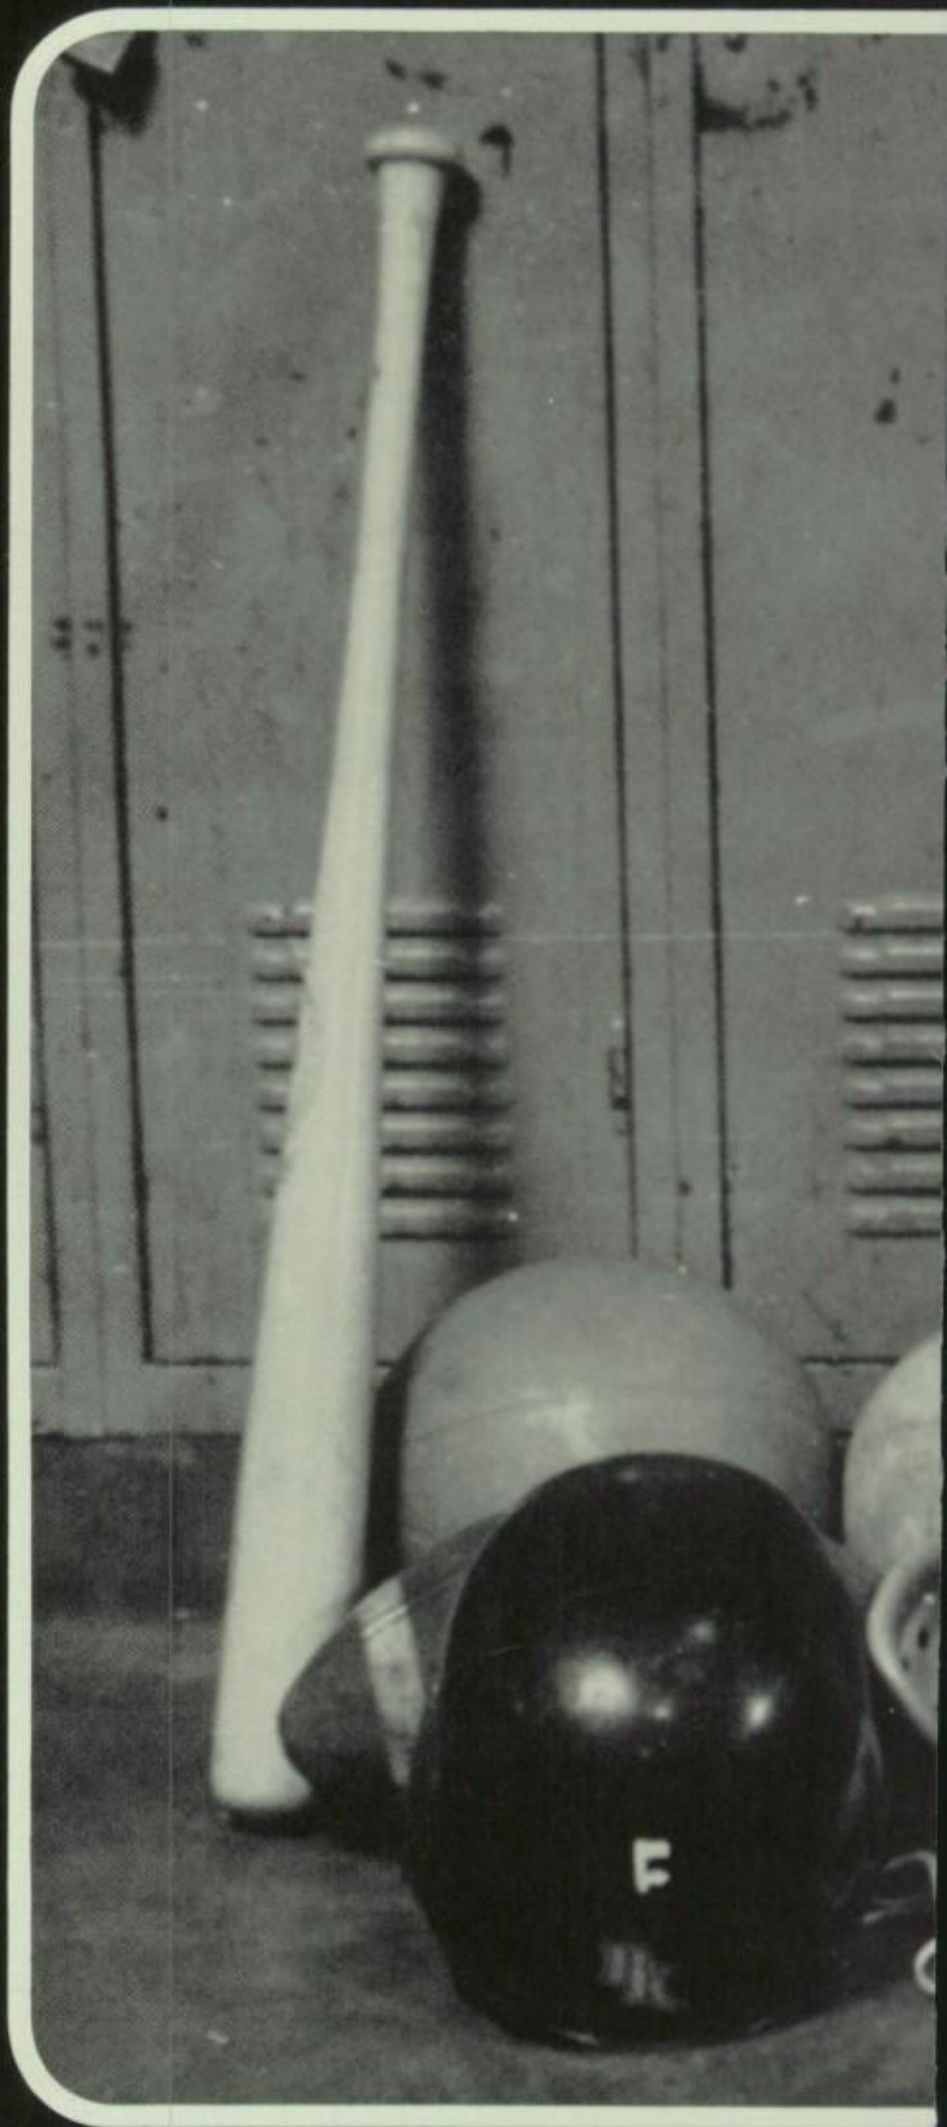

This year, once again, Sunset was privileged to be allowed a foreign exchange student for a short visit. Her name is Genevieve Jean of LePuy, France. Genevieve is eighteen years old and already graduated from high school. Though she stayed with us for only two weeks before she returned to Hockaday School for Girls, Genevieve felt Sunset very friendly. Next year she will return to France and attend the University to study languages in hopes of becoming an interpreter.

Bison of the Year

This Award is given to the senior student of Sunset High School who through qualities of leadership, loyalty, responsibility, and dedication to the ideals of the Bison tradition, has won the respect and confidence of those with whom she has been associated in her three years at Sunset. All of these qualifications are fully met by Laura Sumpter, the winner of the 1978 STAMPEDE Bison of the Year Award.

Although Sunset had a disappointing season, it had some bright spots. Sunset placed seven players on the all-district team. Among those seven was Frank Hazzard, first team all-district kicker, who had an average of 43.5 yards per field goal, with a Sunset record 53-yarder against Pinkston.

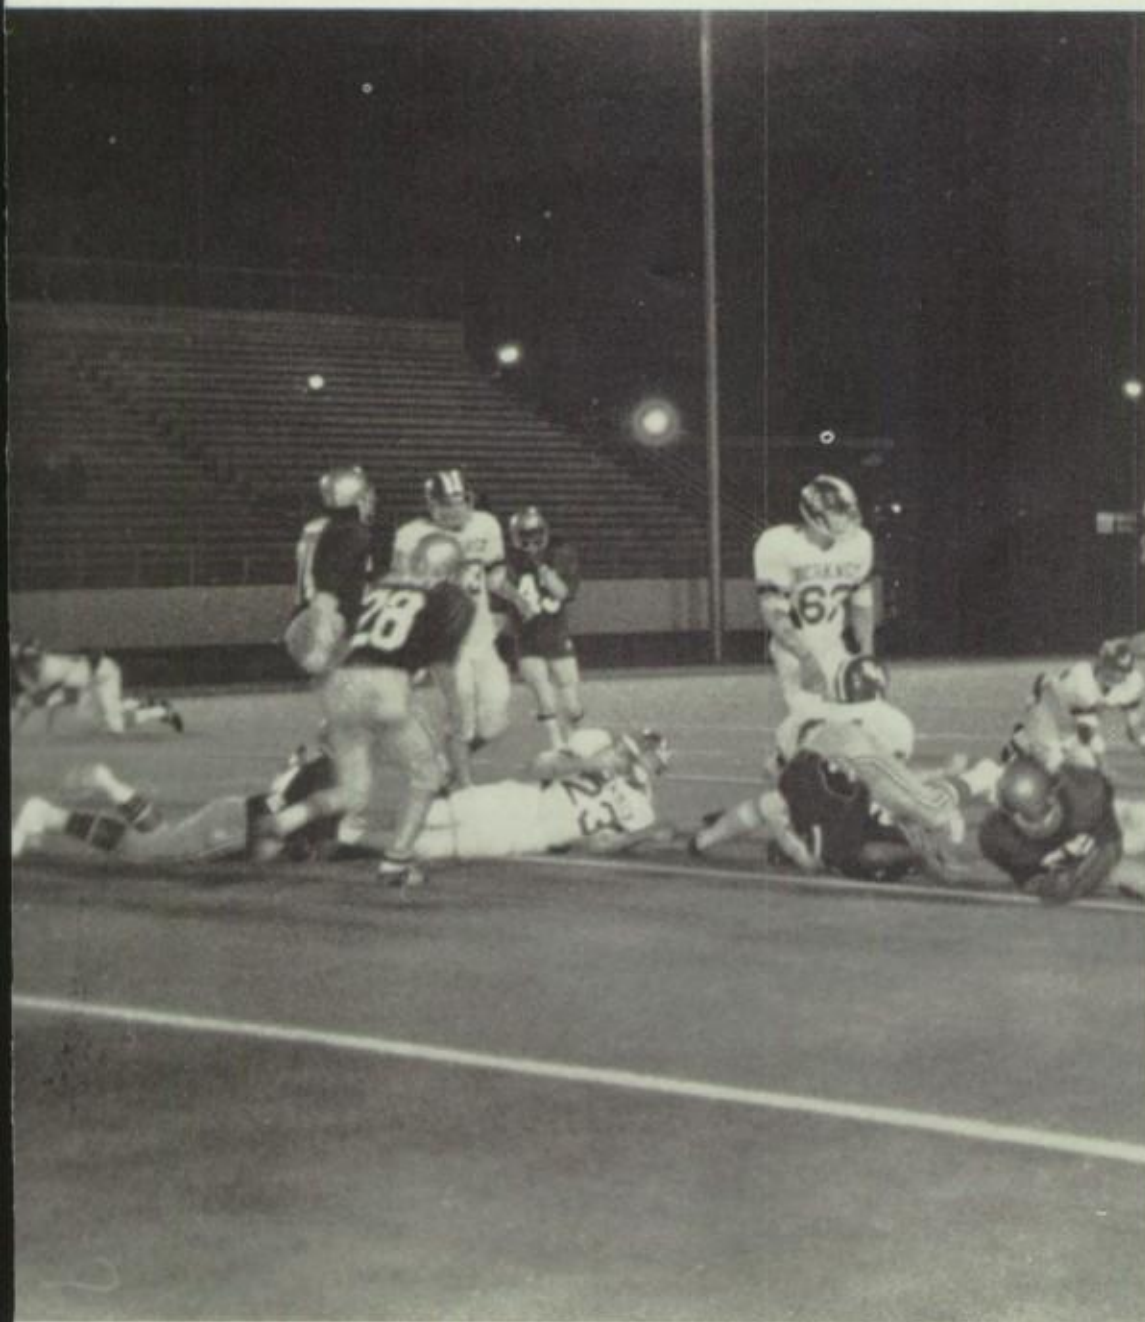

Rickey Cospers, Sr., Lt. 2 yrs., All-district Def. Back, Capt., covers Ram receiver.

Sunset Opens With Win

Sunset proved to be the stronger in two of their first three games. The Bison defense was credited with the first win as linebacker Tim Tubby picked off a Ram aerial and raced 30 yards for Sunset's only touchdown as Sunset defeated the Berkner Rams by a score of 10-3. In the second pre-season game the Bisons traveled to Nacogdoches only to be slain by the Dragons in a wild game, 41-20.

In the district opener against North Dallas, Sunset had no trouble at all as tailback Kenneth Newton scored 5 touchdowns and the Bisons rolled to a 50-14 win.

Carter Evades Sunset

Sunset went into the second district game against Carter with high hopes; but those hopes were to be demolished.

The Bisons scored first on a one-yard run by Newton. Carter came right back on the ensuing kick-off which tied the score at 7-7 at the half. It was all Carter the second half as Carter rolled over Sunset 28-7.

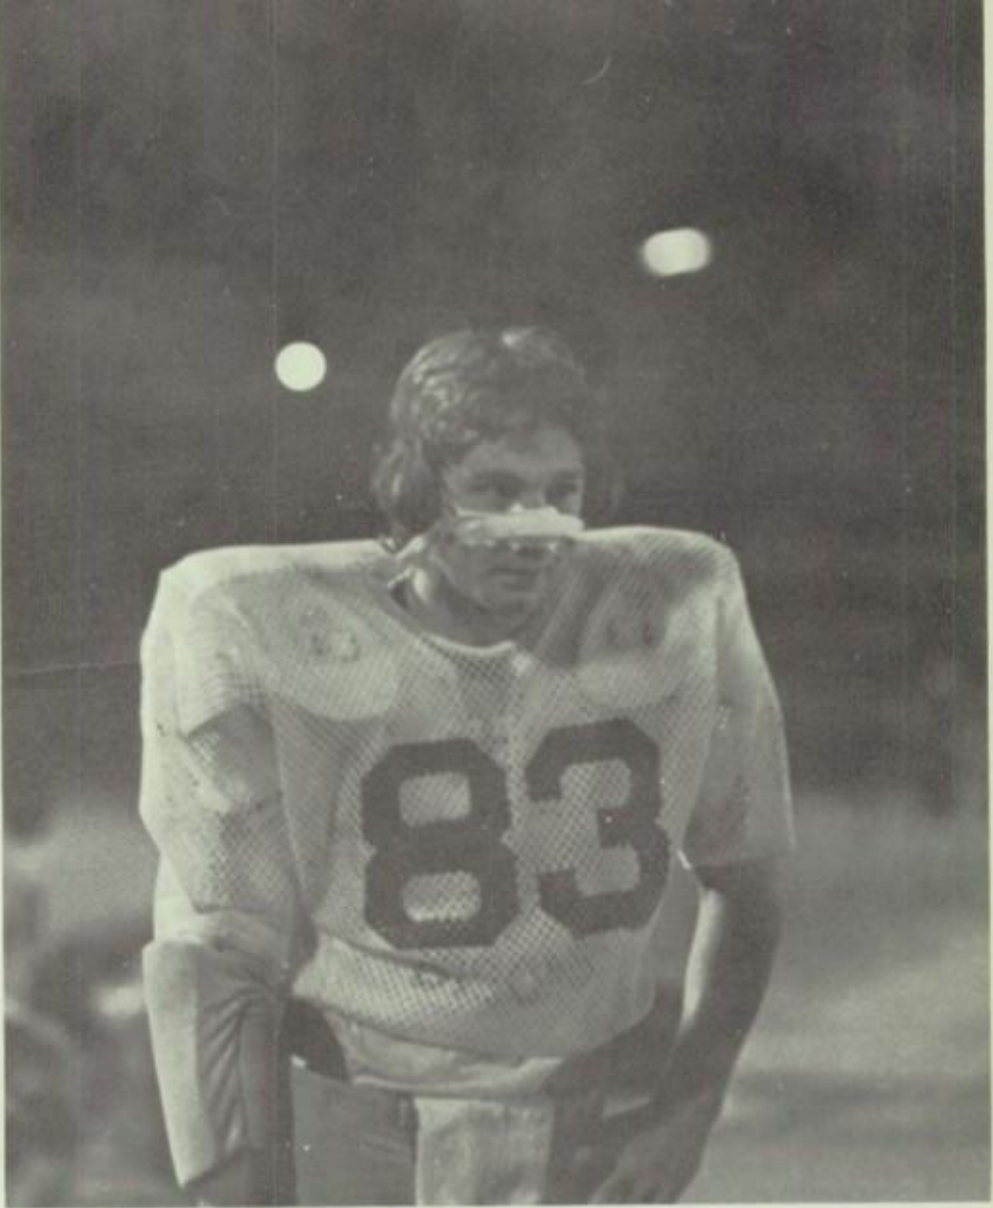

Sophomore Paul Clayborn ready for anything.

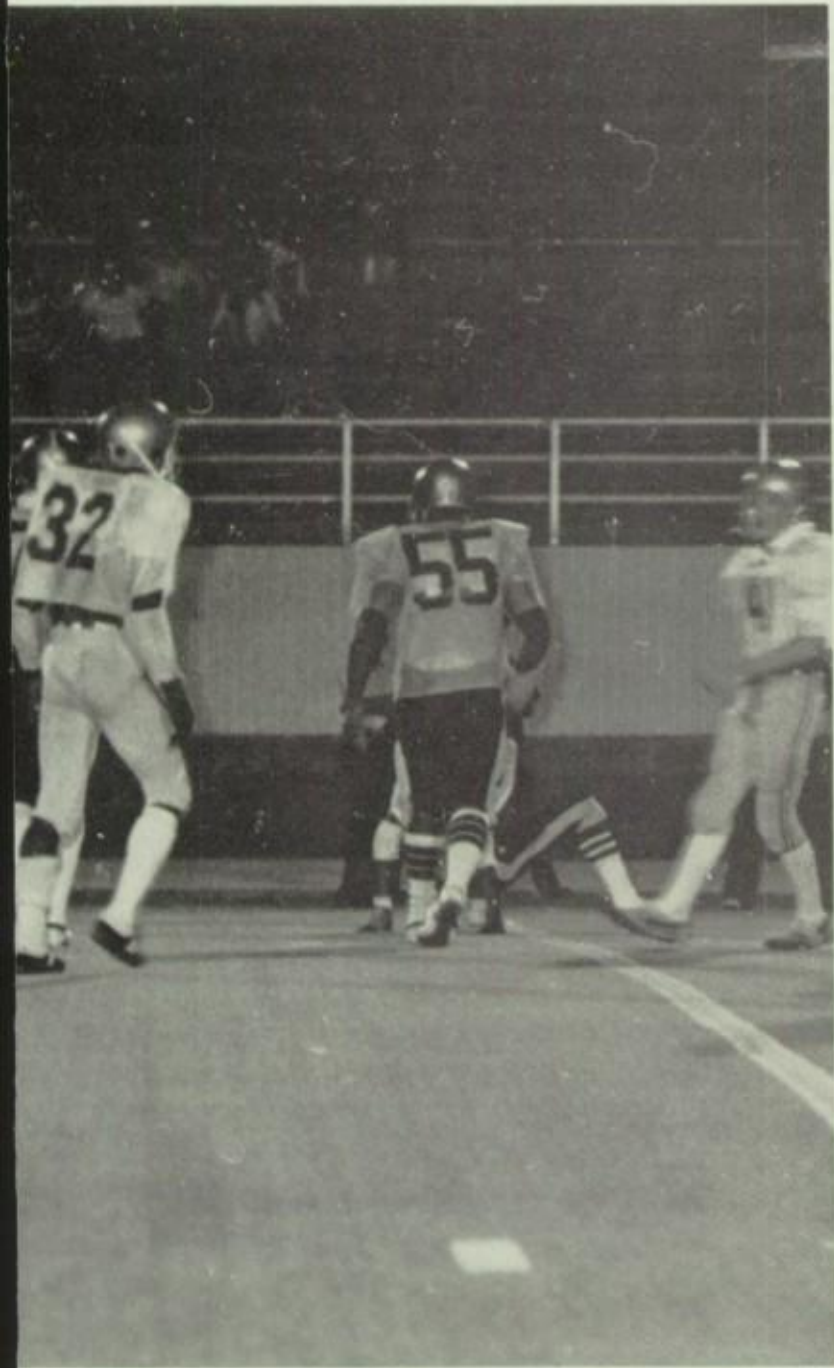

Tim Tubby gets set for Carter.

In another district game against Pinkston, the Bisons fell behind quickly as the Vikings took a 31-15 lead at the half. The Bisons regrouped at the half and came out to score 16 points and held Pinkston to only 6. Sunset had two good chances to score early in the second half but failed to capitalize and, as it stood, the Bison comeback was strong but just a little short. Sunset was handed its second district loss 37-31.

Madison piles up Sunset runner.

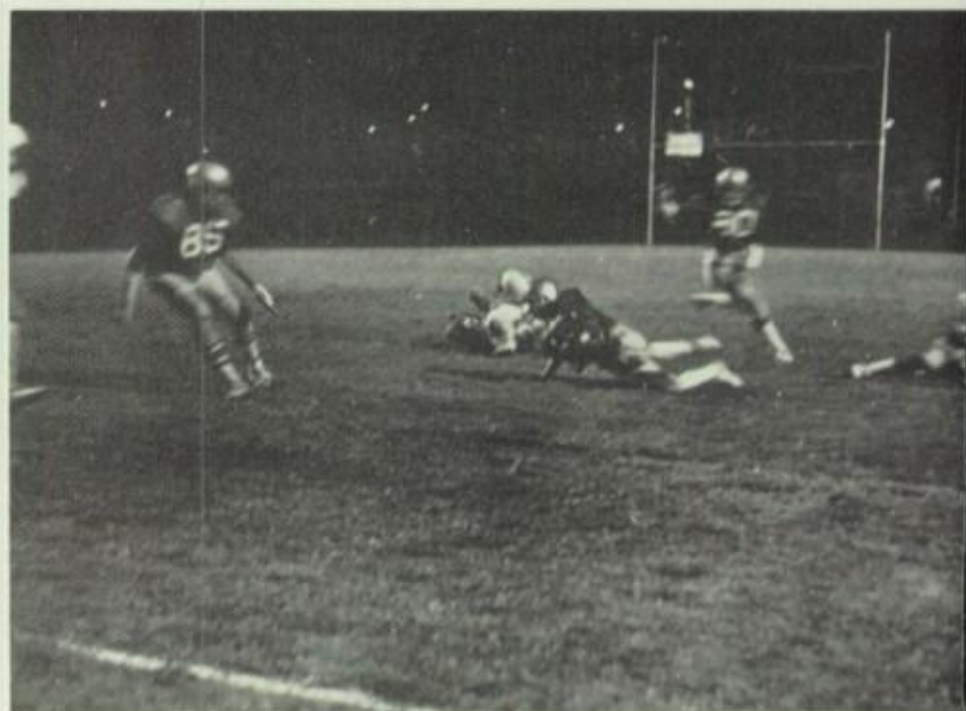

When Sunset took on the newlyweds of district 12-AAAA, the Madison Trojans, the Bisons initiated them in a way the Trojans will not forget. Newton scored two touchdowns and Sunset was off to taking its second district win. Junior fullback Wes Brown added a touchdown and Sunset upped the Trojans 30-13.

Bisons Roll Over Madison

Junior Aubrey Kirk, All-district Hon. Mention, picks off pass.

Sr. Duane Hawkins, Lt. 2 yrs., turns the corner.

Sunset's outside chances for a district title were diminished by the Mustangs from Roosevelt. Roosevelt jumped to an early lead but the Bisons cut the lead to four points on a field goal of 43 yards by Frank Hazard. Sunset's offense never really got untracked until late in the fourth quarter. The drive was capped with a 6 yard pass from Chris Salazar to Hazzard, but time ran out and the Bisons were defeated 20-11.

Bears Maul Bisons

Photos by Hada

The next foe of the Bisons was South Oak Cliff. The SOC Bears overpowered the Bisons with a deadly running attack. The defense stopped the Bears from totally demolishing the Bisons as they held 4 series inside the 10-yard line. Costly fumbles and turnovers led SOC to most of their scores. Sunset's only bright spot in the game was a 43-yard field goal by Frank Hazzard. The final score was SOC 40, Sunset 3.

Knights Joust Bisons

Bisons upend Knight ball carrier.

When the Bisons took on the Knights from Kimball, it was a tough hard-fought battle all night. Sunset's offense moved the ball up and down the field all night but could not plunge it into the end zone. The Knights scored three quick touchdowns in four minutes and defeated Sunset 21-0. The score did not reveal the true Bison effort.

Homecoming '77-'78

In the Bison Homecoming clash with Adamson, the Leopards surprised Sunset with a 34-7 defeat. The Bisons scored first, but after a few bad snaps from center on the punts, Adamson took a commanding lead which was not to be relinquished.

Baby Bisons '77-'78

Improvement was the word for the J.V. Football Team's 1977 season. At the beginning of the year, even scoring a point was an uncertainty. However, these young men made up their minds to have a respectable football team. In the last three games they were much better than respectable. Hard-hitting and willing to learn, the J.V.'ers ended the season knowing what the word "TEAM" meant.

Sr. Judy Hipp scores an easy two.

Sunset's Girls' Basketball Team had an outstanding season as they finished second in district 12-AAAA behind South Oak Cliff. Their leading scorer was Debra Rodman. Other outstanding players were Judy Hipp, Ruthie Solorzano, and Denise Sprayberry. Most of this credit goes to these fine girls but the man behind the lines who geared these girls is Coach Crafton.

Besides placing second in district, the girls also won two tournaments: the Greenhill Tournament and the Dr. Pepper Tournament. Coach Crafton and his team are to be congratulated for the fine job done this year.

Sunset's defense played tough all season.

Tennis Team Starts Out Strong

Sunset's Tennis Teams, last year's defending 12AAAA Champs, are already on the move. Sunset's district mark now stands at 8-0 and a season record of 8-1, with the only loss coming against Bishop Lynch. With 8 matches left to play, Sunset's chances of winning the district are highly favorable. The whole team has been involved with the wins so far but strong play by defending singles champion Dena Carvell and strong play by senior Andrew Khouw have boosted them to an early tie for the lead. Sunset's toughest opponent in district will be Kimball. Kimball does not have a girl's team and Andrew Khouw has already beaten Kimball's top boys' singles player.

Pan-Am loading up for San Antonio.

Pike

The Pan American Student Forum (Pam Am) is a division of the Good Neighbor Commission of Texas. Pan Am is a service organization dedicated to better understanding among the people of the Americas.

The state project for 1977/78 has been "Pesos for Braces." Money collected by the individual chapters buys braces for poor children.

Sunset's "La Estrella" chapter has sixty-five members. These members have participated in a number of interesting activities, social as well as service, including district competition with other schools. La Estrella chapter captured three first places in recent competition at W. T. White High School. Our folk dancers will perform in San Antonio at the state convention in March. Every year twenty delegates are chosen to represent Pan Am at the convention. *David T. & Diana B.*

Pan Am also sponsors the annual Cinco de Mayo assembly. Mr. and Miss Cinco de Mayo are then crowned at a dance held later that day.

Who's Who

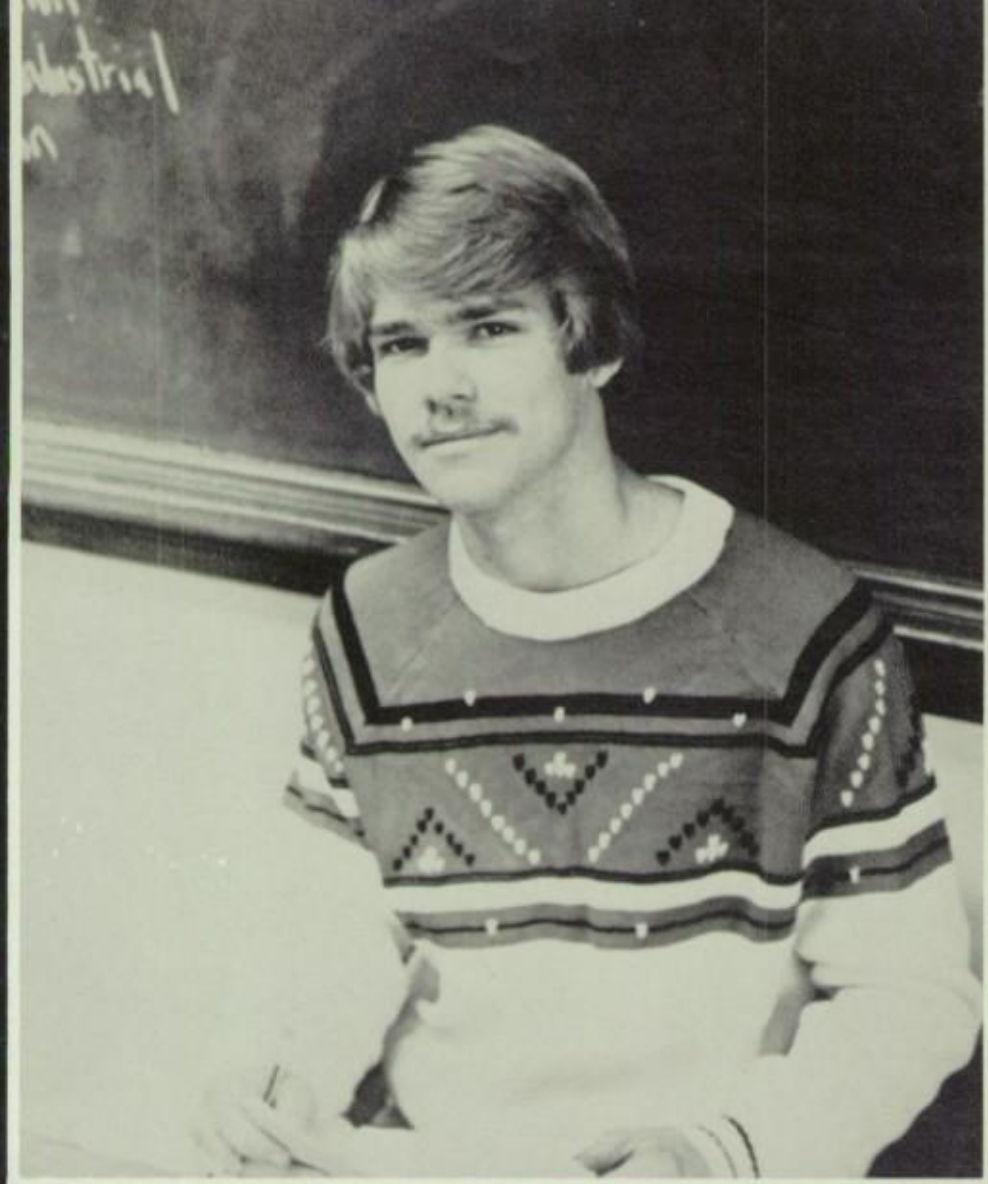

Persons who achieve the honor of being named in Sunset's Who's Who do so by their hard work and dedication to many of Sunset's activities, during their years at Sunset. Being named to Sunset's Who's Who is the highest honor for those who have collected many honors. Grades are considered, not as a deciding factor, but as a part of the over-all top Bison. The people who receive this honor have upheld Sunset and show in every place and in every way that they are proud of Sunset and Sunset is proud of them.

Persons who have done an outstanding job in only one or two areas of activities, will be overshadowed by those who have been active in several areas.

The honor of Who's Who is bestowed by the SUNDIAL Staff Seniors. The nomination and election of Who's Who is supervised by the SUNDIAL Sponsor. When electing for the winners, the staff makes their choices by voting both open-mindedly and objectively for those who have accumulated enough honors.

To the Bisons of 1977-78:

You are a part of a very important year. The Southern Association Evaluation and the Sunset Remodeling Program will both take place during this year. Many of you have had a part in planning for these activities.

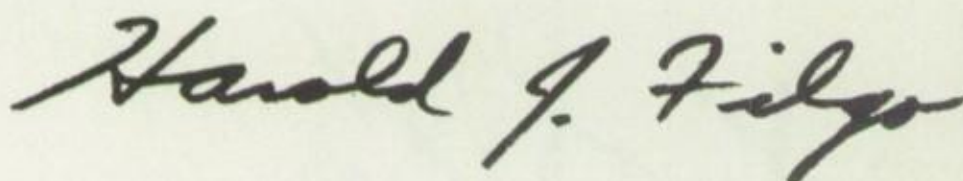

This year is a turnaround for us in attitude and love and devotion to Sunset. Last year was tough because over half of our students were new. They had a difficult time accepting the responsibilities of a high school. This year, most of you have found a place to be a part of Sunset's Activities. You are keeping your school great.

Our seniors have offered excellent leadership and they deserve a fine future. Each class serves as a leader and this leadership increases as we continue through school and into community life.

You are a part of a great institution and the degree of your participation determines the degree of happiness derived from your three or four years. I hope you enhance your future by being involved.

Each year my wish is that each student may reach his potential in all activities. Be proud of your opportunities and live up to your responsibilities.

Sincerely,

Harold J. Filgo

Seniors of '78,

Graduation is a happy time and a sad time. It has been my pleasure to work with most of you the past three years. My wish for all of you is:

May the road rise to meet you,
May the wind be ever at your back,
May the good Lord keep you in the hollow of his hand,
May your heart be as warm as your hearth stone,
and when you come to die
May the wail of the tune be the only sorrow you'll leave
behind.
May God bless you always.

Your counselor,
Iola Eaton

Teachers are People

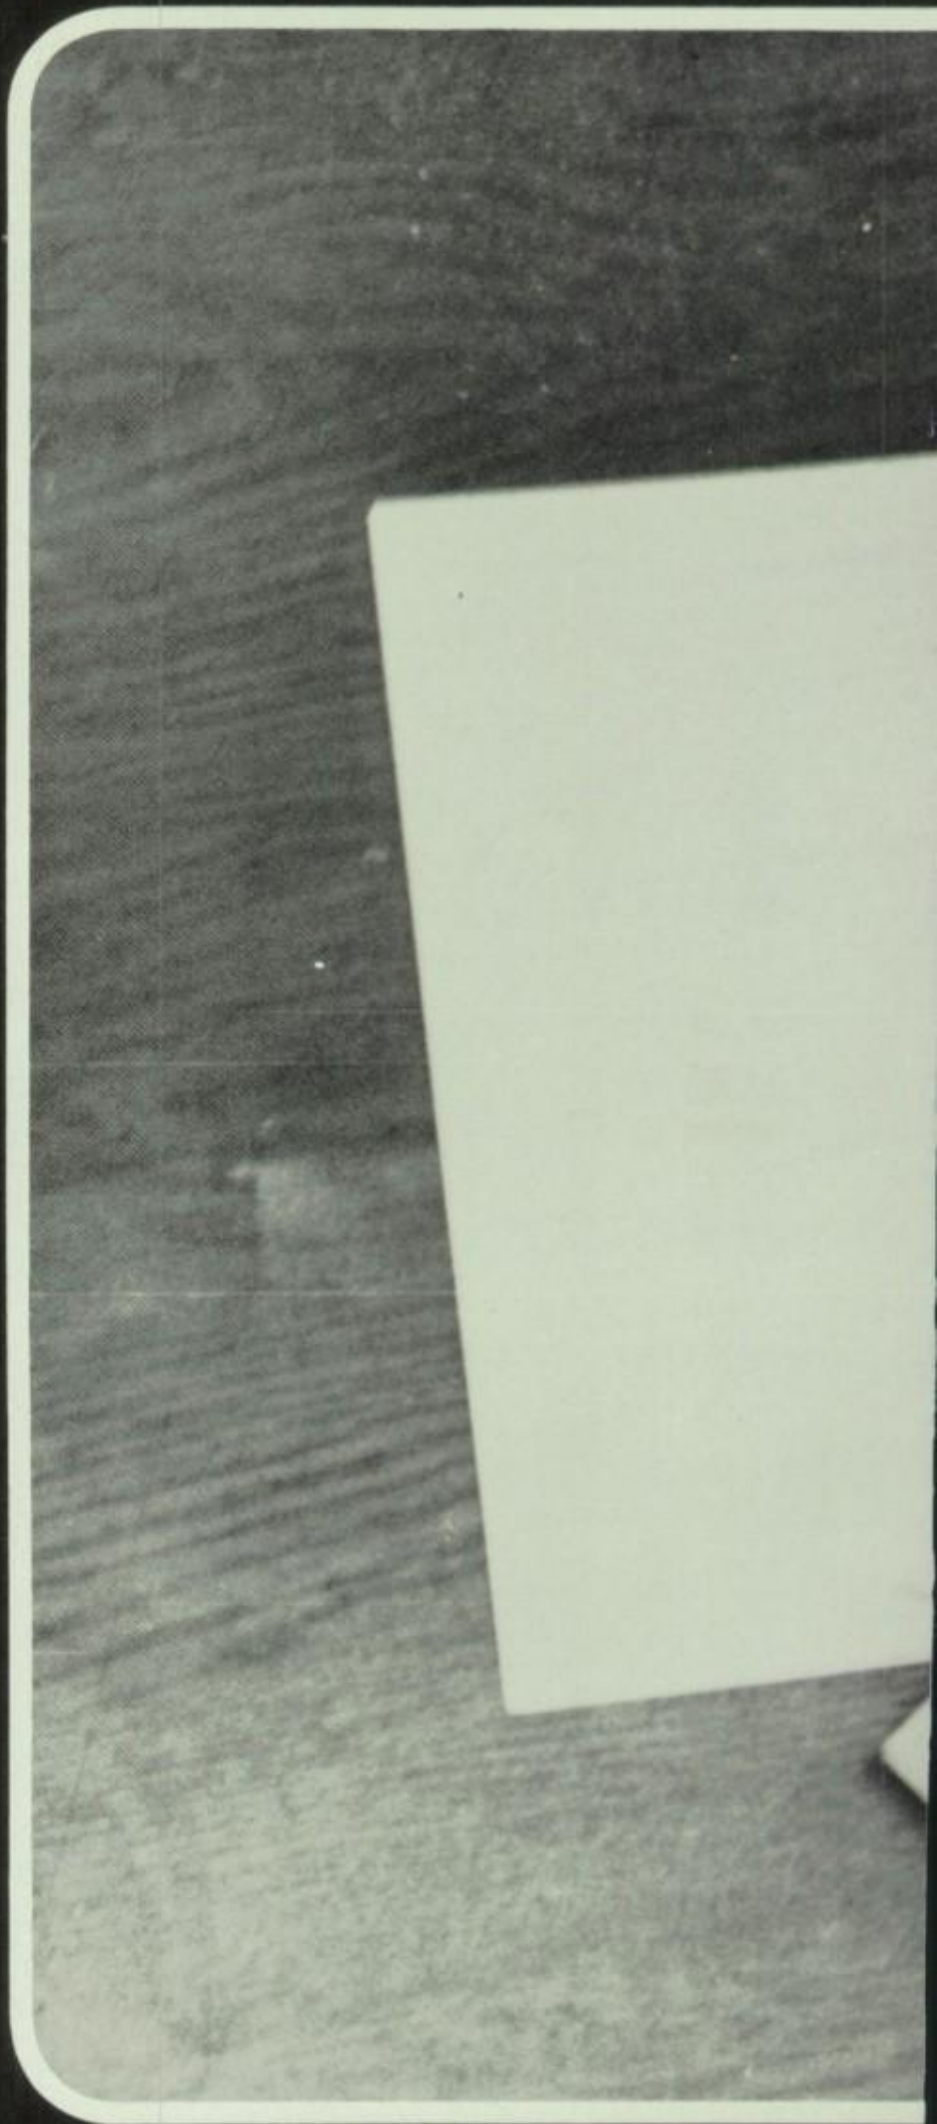

It is sometimes difficult for a student when seated in a classroom, to think of a teacher as being anything other than a teacher. But the person holding that grade book or writing on the blackboard does have a life outside of school.

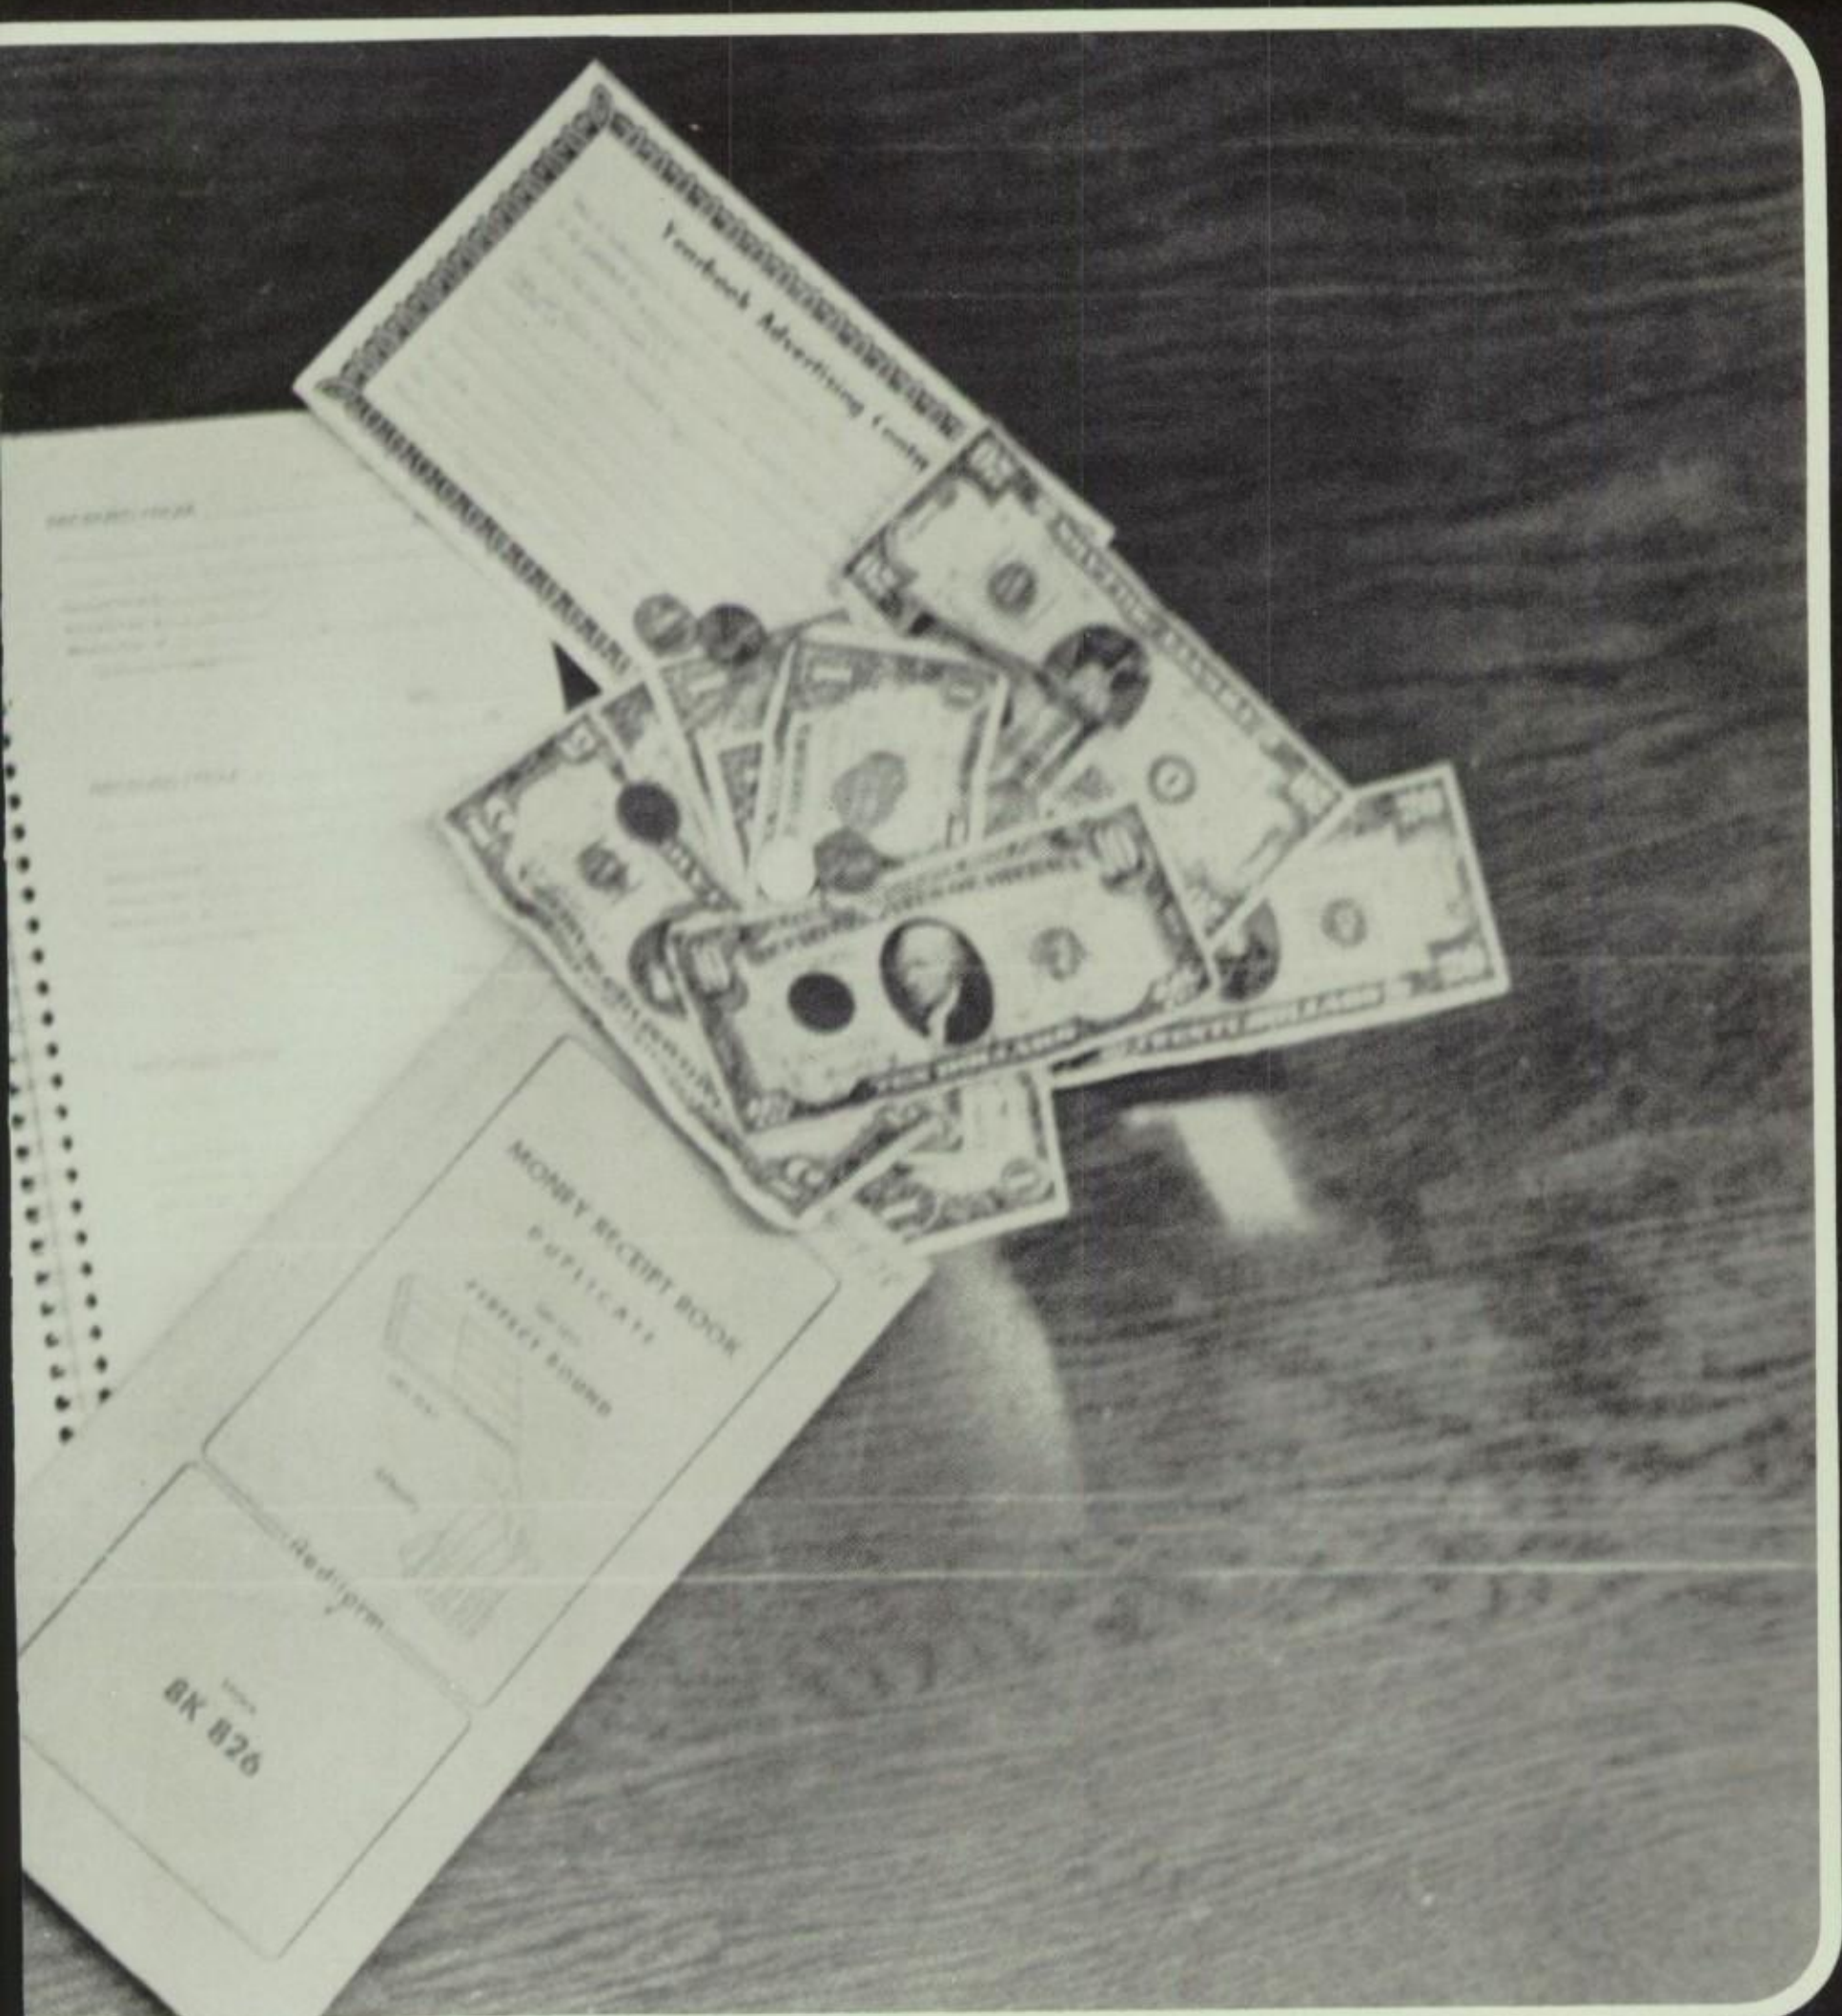

They do not enjoy dealing out "F's" or giving students a hard time. Teachers want very much, for their students to succeed, to do well. Teachers do the best they know how and it's time we appreciated their efforts.
